

DHA's Engraved Bricks: A Purr-fectly Unique Gift

If you're looking for a unique way to honor a special friend, memorialize a loved one, or celebrate a special occasion, consider a custom-made engraved brick that will become part of our circular paved pathway in Delaware Humane Association's Tribute Park Garden. Located on the DHA campus alongside the riverbank of the Christina River, this beautifully landscaped garden is a small oasis of trees, shrubs, and perennial flowers surrounding a pathway made up of hundreds of engraved bricks purchased by DHA supporters.
